Freshmen were introduced to the school at freshman camp, they met each other at the frosh mixer, and they became a part of Millikin life.

# the Arrival of Homecoming

Homecoming is an unheard crunch of autumn leaves; it is singing crowds in smoke-filled trysts; it is the football team fighting for glory . . . and, in reality, the final score is unimportant to Victory. Some glow from some place . . . the Queen? . . . produces an answering smile; the warmth spreads; soon Homecoming is joy and happiness . . . moments to hold forever.

Thanks to Carol Marshall and Fred Schmude for a wonderful week-end.

# And the Campus Took On

Homecoming, to the committees, is ten thousand heart-breaks of disappointment happily tempered with year-long seconds of unforgettable bliss. It is a time of exhaustion, a time of frayed tempers, and a time when time is a short and fleeting enemy. Then, suddenly, the streets take on a new air of carnival festivity as floats pass by. There is a vast sigh of relief . . . and pride.

Gina Bachauer

Boris Goldovsky

Millikin can well be proud of its Fine Arts Series. Each year the world's outstanding artists come to Millikin's own Albert Taylor Hall to give a part of their gifts and talents to Millikinites.

This year four excellent programs were presented. Leonard Rose impressed his audience not only with his mastery of the cello, but also with his down-to-earth personality. The Paris Ballet, featuring Lycette Darsonval, held its audience rapt with the fluid grace and poetry of its performance. The 1956-57 series was particularly privileged to have secured Gina Bachauer, one of the world's great women pianists. The final program of the series featured Boris Goldovsky, a unique musical personality, who lectured and played the piano in a series of "Piano Portraits".

# Your Campus Life

Town and Gown, Millikin's theatrical group, had a busy season: "Measure For Measure," "Anastasia," "The Wayward Saint," and several one-act plays. The big production was "Measure For Measure" which starred Clarence Derwent from Broadway, giving MU's actors a fine opportunity to get professional advice.

**Anastasia**

# An Outstanding Musical Production

"Don't Griddle Hansel" headlined the **Decaturian** for the music school's colorful production of "Hansel and Gretel." Local critics called it an excellent performance. A tragic note was struck, however, when Edith Conley—singing Gretel—slipped on the ice and severely broke her arm only a few days before the production.

Oh, what one had to go through to make money!

Campus Chest, one combined drive for all charities, exceeded the goal under the leadership of co-chairmen Marty Groppi and Bob Krebs and their committees. Lower hall became a carnival area as all organizations combined efforts to haul in the loot; faculty members were auctioned to the highest bidder; "Swede" Eunson became Mr. Campus Chest; and a Campus Chest dance concluded the active week.

Informal social life is a very important part of every campus. It provides some of your most enjoyable moments and some of your fondest memories. # Junior and Senior Panhellenic

One of the main duties of the Panhellenic Council is to determine rush rules for the women's fraternities. The council also sponsors the Panhellenic Dance, the Panhellenic Banquet, and the Panhellenic Slumber Party. The Senior and Junior Panhellenics this year combined their efforts in the sponsoring of a Panhellenic Workshop for councils of other colleges and universities in the area. The council is composed of presidents and rush chairmen of the sororities and the offices of the council are rotated among the sorority presidents. This year's officers were Judy Pease, president; Kem Miller, vice-president; Jody Sparks, secretary; and Marylyn Quigley, treasurer.

With the opening of school, the girls of 111 Park Place became busy with rush, dances, and homecoming. Jody Sparks reigned as Homecoming Queen. Barbara Bergen, Ann Geddes, Angela Davis, and Smoky Morris were leading the cheers for the Big Blue.

Many Tri Deltas took part in other campus activities during the year. Barbara Bergen was secretary and Skip Heileman treasurer of the junior class. Jody Sparks was an officer for the senior class. Kay Jibben and Mary Baker represented the Tri Deltas in Phi Kappa Phi and Jeanne Stillman and Mary Baker were elected to Pi Mu Theta. Kay Jibben was elected president of S.A.I., and Jeanne Stillman sang the lead in **Hansel and Gretel.**

The year has been a big one for the AKL's. Moving from the barracks into their new house was a big switch, but it didn't slow the fellas down. They let nothing stand in their way, and as a result, they won first place in scholarship. Bob Krebs, graduating senior, has led a bright example; he was chosen for Who's Who.

For the Homecoming parade the men really worked hard to make their float place second. The large hand with a string around a finger suggested the theme, "And Don't Forget to Win." The group, however, didn't let working effort stop there; ninety per cent of the men worked at part time or meal jobs.

The AKL's participated in the intramurals, had house dances in their new house, and had their annual formals. A parents' club was formed, and car washes were held on spring Saturdays.

On March 24, the chapter ran a sixty-mile marathon to Charleston to deliver a charter to Rho chapter at Eastern Illinois State College.

The Delta Sigs were well represented in every phase of campus life this year. **Dean Crump**

Indees enjoyed a profitable and successful school year. The year got underway with a multitude of welcome activities for the new frosh. Before long, however, plans were well along for Homecoming. Our float theme was "Drumming for Victory." Many of our alums were back for the Alumni banquet, and we all had a big time getting reacquainted. Before the winter season was over, we danced at the "Snowflake Ball," our winter formal.

During the second semester, we participated in the Variety Show and University Sing. After the band concert, we held a social hour with the band personnel as our special guests. Then came N.I.S.A. week and our spring formal, at which our Indee Sweetheart was chosen. The year wound up with a picnic and tearful goodbyes to our graduating seniors.

Indees prominent in school affairs were Sydney Wilson, president of W.A.A.; Larry Reif, vice-president of Young Republicans; Lee Erickson, vice-president of Young Democrats; Carol Clevenger, secretary of Young Democrats.

This year was a big success for Indees, and we are deeply indebted to Mrs. Nanette Smith, our adviser, who gave us so much fine help and encouragement.

VET is an ex-serviceman's fraternity. We veterans are proud of our forty-five active members and of our unique position as a social-service organization. Our accomplishments the past year attest to the fidelity of our group and to the leadership of our officers to promote the spirit of "Millikin First." We conducted the Asian Foundation book drive that saw Millikin out-contribute many leading state-supported schools throughout the country. Our members answered a "Blood donation" call, and we provided Christmas for a needy family. Every year VET'S are elected to the national honoraries on campus. Our annual functions are a founder's day dinner, Valentine's Day Dance, and a graduation picnic. Our President is Jim Jones, and our adviser is E. W. Ploenges, Dean of Veterans.

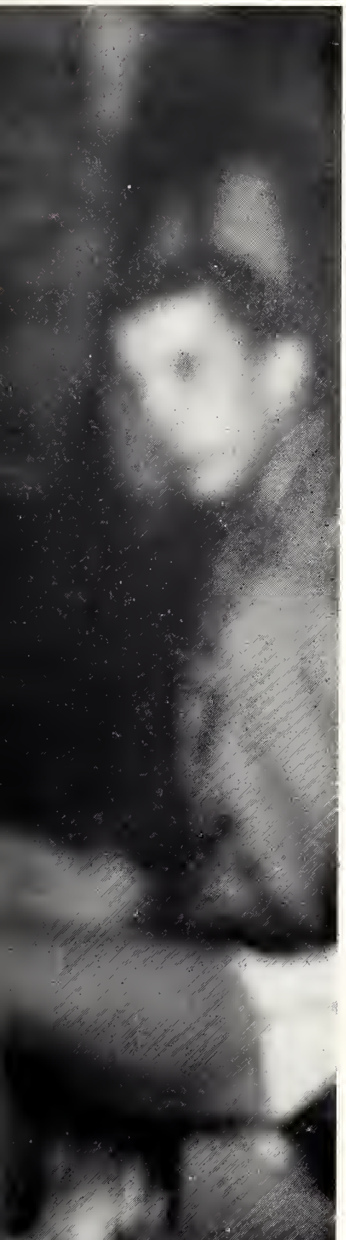
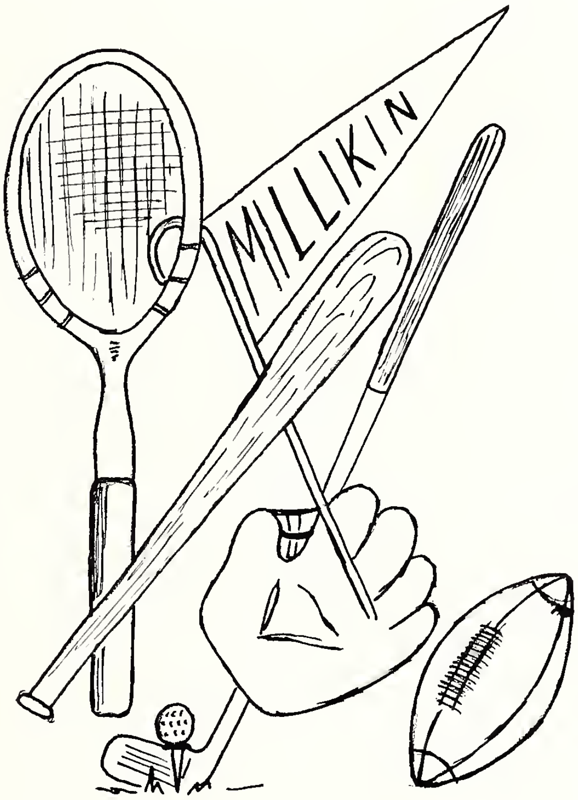
# *Millikin* . . . IN SPORTS





*Not always were we victorious, but of one thing we were certain—Millikin's athletes gave their all in a clean fighting spirit. Pre-game tensions in the locker rooms were transformed to a fierce determination. If you were there you noticed an MU tradition—FIGHT!*

Coach Don Shroyer and Coach Ralph Allan

# *The Strategists*

These are the strategists, the two men who guided the Millikin teams to another memorable year in athletics.

Coach Ralph Allan has completed a decade as a Millikin mentor and in that time has made quite a name for himself. Last year Coach Allan was elected president of the National Association of Intercollegiate Athletic Coaches.

Don Shroyer has completed his first year as the Blue's head football coach. As a rookie coach, he almost won the conference championship.

In their collegiate playing days, both men distinguished themselves as all-time Millikin greats. With this combination at the helm, Millikin looks to a bright future.

# "M" Man of 1957

The Millidek staff has chosen Don Petty "M" man of 1957. The "M" man is selected each year on the basis of athletic ability, sportsmanship, scholarship, and extra-curricular activities. Don meets all of these requirements. He has lettered in basketball and baseball for four years and has always displayed the finest sportsmanship on the court and on the field. He has maintained a good grade average, and the long list after his name on the senior activity page proves that he has been busy in campus affairs. Just to mention a few of Don's activities, he served as president of the senior class, was captain of the basketball team for two years, and was elected to Who's Who.

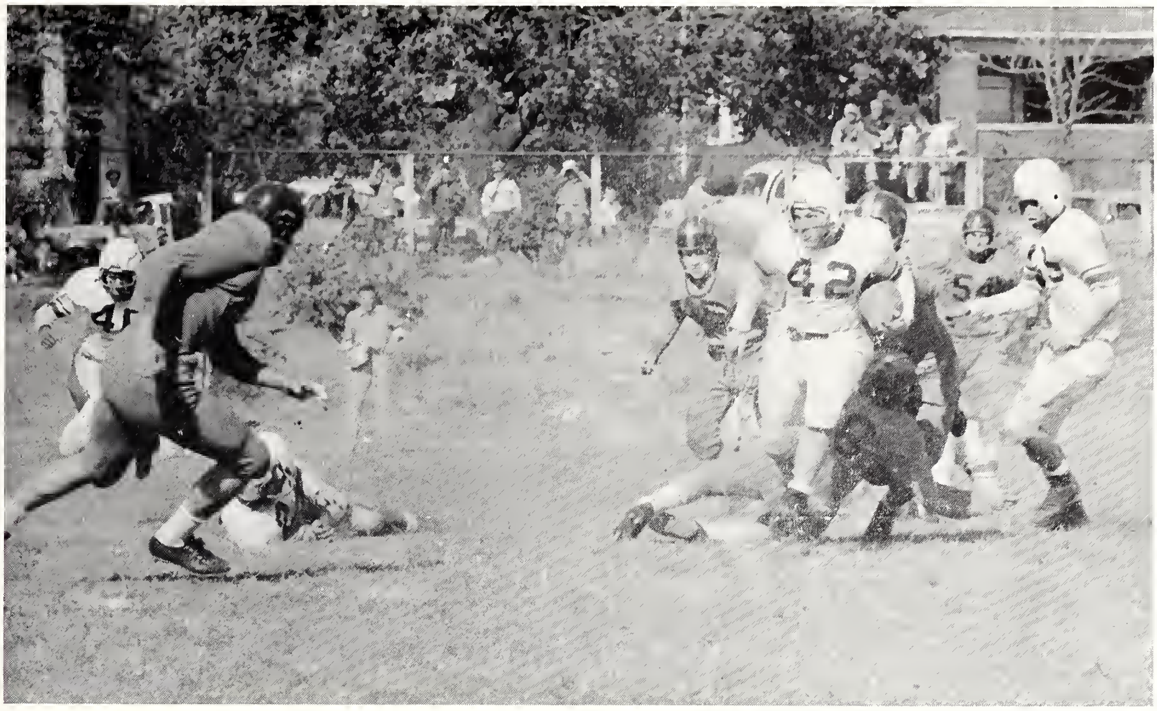
**Co-captain Lyle Slater, Coach Don Shroyer, Co-captain Pete Innis.**

Co-captains Lyle Slater, tackle, and Pete Innis, end, both finished brilliant collegiate football careers this year. "Heap" and Pete both lettered all four years, both made All-American during their playing days, and both have been named to all-CCI teams. These two will long be remembered for their gridiron feats at Millikin.



It was a hot Saturday afternoon last fall when the Big Blue of Millikin opened its 1956 football season against a big, experienced Missouri Valley squad. Although the under-manned Blue lost that opening day, the team went on to its best football season since World War II, winning six games in a row.

The entire season boiled down to the meeting of the two great powers of the conference, Millikin and Wheaton. Both teams had been undefeated in CCI play, with 6-0 records. They met head on in a battle that would decide the conference champs. The Blue battled all the way on that final Saturday, but couldn't hold Wheaton down; the Crusaders won the game and the championship. The Blue did get second-place, however; so next year they will have a bone to pick with Wheaton.

# Blue Stand-Outs

Some of the Blue stand-outs really distinguished themselves this past season. Lyle Slater, completing his fourth year of football for Millikin, was named to the small college All-American first team and to the All-CCI first string. For a second year in a row, he won the Lou Epperson Memorial Award for lineman of the year.

Joe Lambert set a new conference rushing record with 808 yards in 109 carries. He was also third in conference individual scoring with fifty-four points.

Four other Millikin players were named to All Conference teams. Joe Lambert made the first team half-back spot. Larry Kane, quarter-back; Hal Fuson, end; Frank Biddle, guard, were named to the All Conference second team.

# Next Fall's Outlook

The Blue will be out to win the CCI championship next year, after so narrowly missing top honors last fall. Don Shroyer will have thirteen returning letter winners to work with, eleven of which played regularly last fall. Four of these thirteen were All Conference selections. With this experienced nucleus, Millikin will make it tough for CCI opponents next year.

# Give Me an "M"

**Ann Geddes, Marilyn Wilson, Barbara Bergen, Selma Mitchell, Jackie Crinigan, Phyllis Morris.**

A good cheering section to back its teams is important to every college campus. And a group of lively girls to lead the fans in their yells is even more essential. That is what we had this year—a group of lively and enthusiastic cheerleaders which stayed behind our teams to the last.

Backing the Big Blue for her second year was captain Barbara Bergen and for their first year were Smokey Morris, Marilyn Wilson, Selma Mitchell, Jackie Crinigan, Ann Geddes, and Angie Davis.

In his tenth year as head basketball coach, Ralph Allan guided the Big Blue to a 19-9 record. The Blue averaged 85 points a game in spite of setbacks caused by ineligibility and several injuries. Probably the biggest blow was the loss of Roger Lotchin, whose eligibility ran out at the end of the first semester. Dean Strobel, next year's captain, was out for a month with appendicitis, and Terry Smith played almost the entire season with his hand in a splint.

In spite of such handicaps, Millikin finished second in the conference and was invited to play in the District 20 Tournament at Macomb, Illinois.

# CCI All Stars

Three seniors on this year's Big Blue squad won places on the CCI All Star team. Roger Lotchin, Don Petty, and Terry Smith were elected by the CCI players and coaches because of their great play during the 1956-57 basketball season. It was the first appearance on the all conference squad for "Red" and Terry and the third straight year for "Lotch."

# Bench Play

The starting five got a big boost from the bench all season long. Red Dalton, back from the service, and Harm Mitchell saw plenty of action when the Blue needed some rebounding strength. Joe Koger came off the bench many times when the Blue needed a little settling down. Often Joe teamed with Petty to form an unbeatable play-making combination. George Kenny came into the picture at mid-year displaying some beautiful rebounding. Glen Elms and Dunc Reid rounded out a bench that saved a lot of ball games.

# Farewell "Lotch"

The bottom right hand picture shows Millikin's Roger Lotchin in action. In his seven semesters as Millikin's star center, Rog has showed the way with his brilliant shooting, fierce rebounding, and fine teamwork. During his freshman year, he set a new conference record for freshmen by scoring 405 points, and by the end of his last semester of play, he had moved into second place in total scoring with 1577 points. Millikin is certainly proud of "Lotch" and will always remember him as an all-time great.

Millikin

This season, the Blue played eight doubleheaders and two single games for an eighteen-game schedule. Although preseason workouts were hampered by bad weather, the experience of the veteran squad which took the field this year brought the Blue through the first few games.

This year's co-captains were Ron Wisher and Don Garnett. Wisher moved from third base, his regular position last year, to the catching department, in order to fill the vacancy left by Frank VanDoren. Garnett, back from service, moved into his old position at third, where he lettered his first two years at

**Kneeling:** R. Hazelrigg, D. Holler, D. Garnett, D. Petty, R. Allison, T. Carlson, J. Taylor.

**Standing:** J. Koger, T. Wehyer, D. Strobel, T. Pawlowski, P. Bartolazzi, M. Perelli, C. Davelis, W. Knutson, P. Hunt, L. Haab, R. Wisher, R. Muirhead, J. Schaub, D. Zank, F. Montagnino, G. Meeker, J. Dooley.

Millikin. Dick Allison started his second season at shortstop, and Don Petty, playing his fourth season as a Blue regular, was at the keystone sack. In the outfield, Don Holler and DeWayne Zank, both .300 hitters last year, returned to right and left fields, respectively. In the center field slot again this year was Rick Hazelrigg.

Despite the number of experienced players, Don Shroyer was faced with the problem of building a pitching department, since Millikin's two ace pitchers were both lost to graduation last year. Larry Haab, Decatur sophomore, was the only hurler on the staff with CCI experience. Shroyer had good prospects, however, in Joe Koger, Dean Strobel, and Frank Montagnino, a transfer from the University of Illinois. This pitching staff proved itself in helping Millikin's baseball team have once again a successful CCI season.

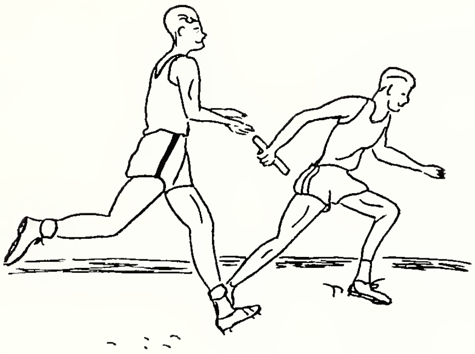
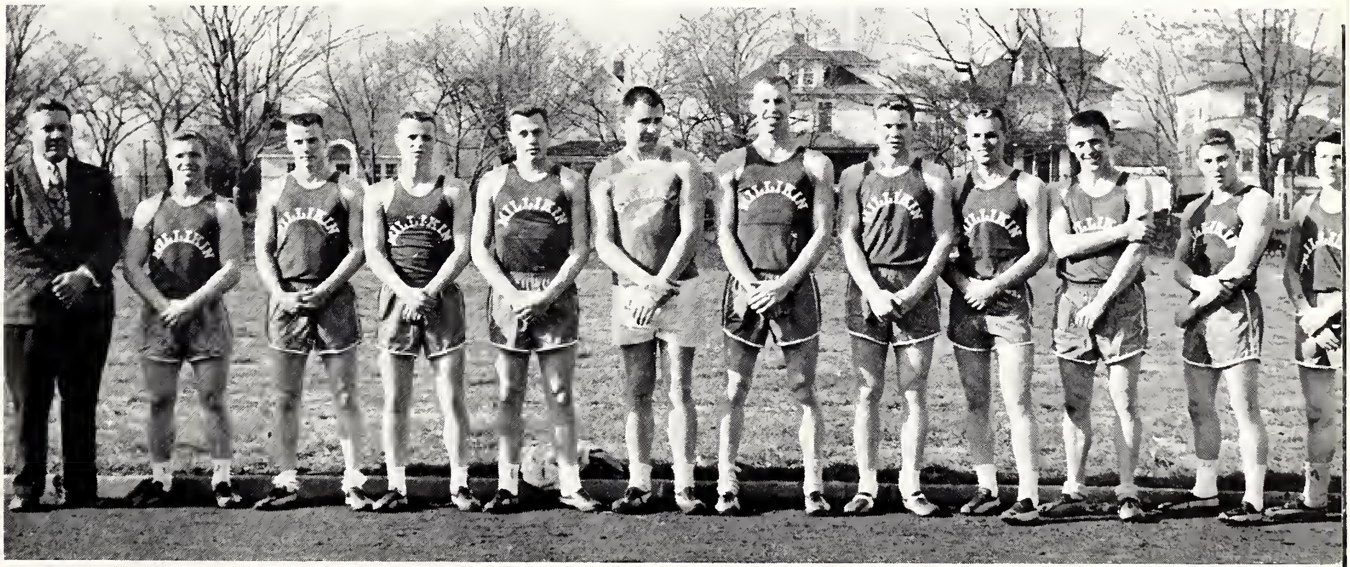
# On the Cinder Circuit

With snow still coming down in the middle of April, Millikin's spring sports schedule got off to a slow start. The first track meet, as well as other spring sports games, was cancelled because of bad weather. With such weather conditions, the track squad had to limit its activities to the running track inside the gym. When the weather finally permitted it, Millikin men hit the cinders.

Captain Joe Lambert



Coach Allan, J. Lambert, W. Boyer, H. Bartley, D. Reid, J. Anderson, J. Jolley, R. Glass, D. Sanders, B. Krehemker, R. Shirk, R. Johnston.



With only four returning lettermen, Coach Ralph Allan was faced with a tremendous rebuilding program to enable the Blue to regain its place in CCI track competition. Much of this season's success depended on these squad veterans. Joe Lambert, who starred as a Millikin half-back last fall, returned to the Millikin sports scene as captain of the track squad. Joe was an excellent pole-vaulter and javelin man. He also backed Jan Anderson in the shot-put department. Jim Jolley, another first stringer on the football team, was out to break the discus record this season. In pre-season workouts, Jim consistently hit the 125 mark. Bob Glass completed the short list of lettermen and came through with several points in the hurdle events.

These veterans and the new Big Blue trackmen exhibited a fighting spirit and determination throughout the season.

The Blue's golf team held its home matches at the Scovill Country Club, an 18 hole course, located west of Decatur.

Millikin's team was backed by the services of Captain Larry Armstrong and returning letterman Harmon Mitchell. Rich Helm, Dean Cuttill, Jack Chilton, Wayne Martin, and Jim Engleman completed the team.

# *On the Courts*

This year's Tennis team was sparked by the return of co-captain John Heiss and two other lettermen, co-captain Lou Coe and Bob Hantel. Rounding out the squad were Al Schroeder, Tony Chamblin, and Don Fleming. Experience and new talent made the Big Blue a real threat in the CCI race.

Home matches for the Millikin netmen were played at the Lincoln Park Courts.

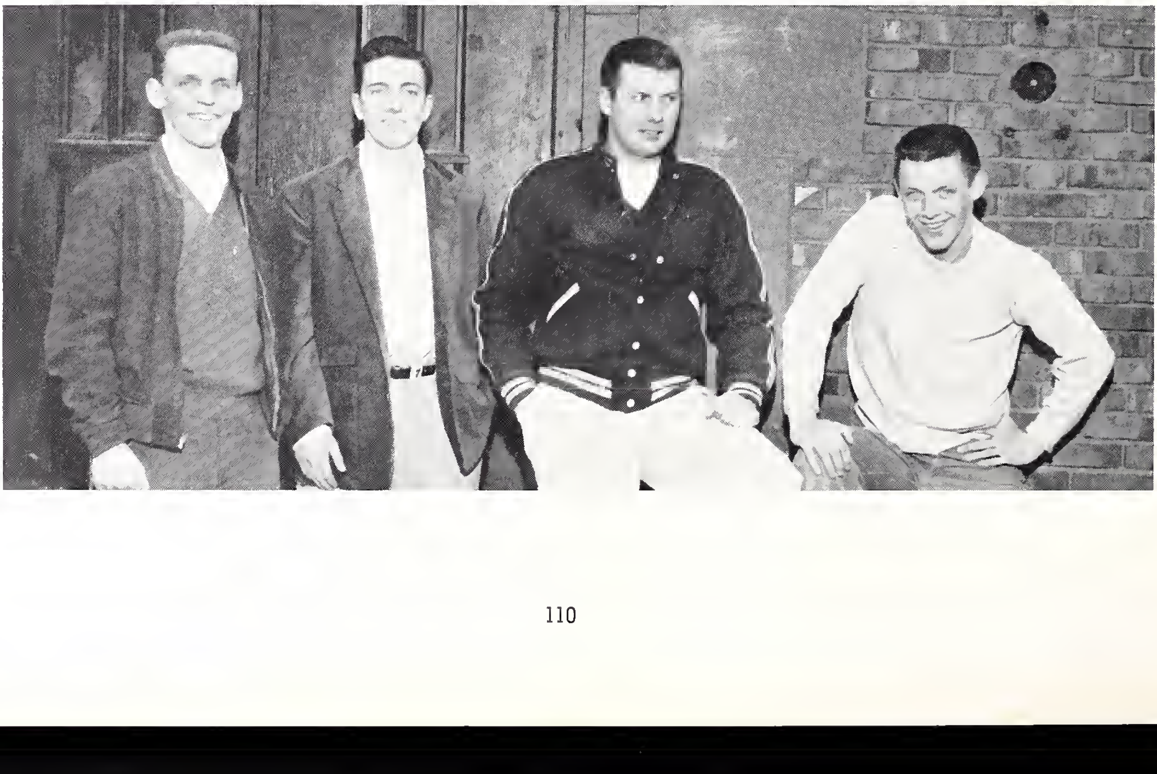
# Men's Intramurals

The men's intramural leagues enjoyed another successful year. Competition was keen among the organizations, resulting in many well played games.

Intramurals consists of competition in football, basketball, volleyball, softball, table tennis, and track. As each sport comes into season, games in both the active and pledge leagues are scheduled and played. At the end of the year, a trophy goes to the pledge team and to the active team with the highest total points.

**INTRAMURAL MANAGERS**

Paul Heyduck, Bill Wright, Wally Knutson, Bill Krehemker.



# Women's Athletic Association

The purpose of the Women's Athletic Association is to interest girls in sports. It gives all university women a chance to participate in sports by sponsoring the intramural program.

Included in the WAA program were speedball, bowling, and deck tennis the first semester and basketball, volleyball, and badminton the second. At the end of the season, a rotating trophy is awarded to the organization whose team has made the most points. At the same time, individual honors are given to the girls who are active in the association.

WAA again sponsored the Annual Intercollegiate Tennis Tournament. Other activities included a fall picnic, a Sports Day, and the selection of the WAA girls.

Miss Dorothy McClure served as faculty adviser.

*Classes in education, classes in biology, classes in acting, or classes in marriage . . . at Millikin you found all these and more (yes, even a class in swimming). Through mutual respect both in and out of classes, friendships between faculty and students provided you with a mental awakening.*

# Acting President C. L. Miller

Dean C. L. Miller has served Millikin for many years and in many ways. He took the load of Acting President upon his capable shoulders upon the retirement of Dr. Malone and fulfilled the many duties in a competent and efficient manner. A strong supporter of dual emphasis in education, Dean Miller believes that technical skills need to be balanced by liberal arts. At Millikin he has worked actively for his beliefs, feeling that our future civilization will need both types of education in all fields.

# Dean Falvey, a real friend

Dean Falvey is one of the most beloved members of the Millikin family. She always has a friendly hello and cheerful smile for everyone she meets. Without the deans and administrators our attendance at Millikin would not be possible. Their work is necessary to keep the university running smoothly. Directing the school of music, counselling the veterans, recruiting new students, planning chapel services, preparing class schedules, regulating finances, and procuring jobs for students are just a few of their many tasks. Thanks to each one of them for doing such a fine job and for making our college careers possible.

# adding up *your future*

Mistake in arithmetic? NO. This is a formula showing the financial benefits of a college education based on today's salaries. It shows simply that for an investment of $2000 per year* and 4 years of your time you may net about $103,000 more in your lifetime than the man whose formal education stops at high school.

The typical high school graduate will earn $165,000 in his lifetime compared to the typical college graduate who will earn $268,000. These are average figures, and, of course, you can do much better, or much worse. Yet it points out one way you can help assure yourself of $3000 a year more than you could have earned otherwise.

This extra income can mean a better home for you . . . a complete education for your children . . . a full and more rewarding life for you and your family.

Other rewards a college education can help you achieve may be even more significant than a higher income: a deeper understanding of people . . . a greater ability to get along well with others . . . a fuller life, to mention but a few.

When you add up the years of your learning, remember that you are adding up your future. And education is an investment in the future which will return to you many advantages.

**Estimated average cost of attending college including tuition, room and board, books, and incidental expenses.*
